St Vincent's Campus

# RESEARCH WEEK 2017

# GET AN INSIGHT INTO OUR GREATEST MINDS

11 – 15 September 2017

St Vincent's Campus Research Week is a celebration of the remarkable depth and breadth of translational healthcare research which occurs every day across the St Vincent's Campus. This is an opportunity to showcase our research, meet our researchers and acknowledge our achievements.

## ACTIVITIES INCLUDE:

**Launch morning tea and opening addresses**

---

**Meet our researchers** from various clinical departments and partners at the displays in the mezzanine levels of the public hospital

---

**Learn about our research** at one of the special lectures or fast forward talks

---

**St Vincent's Campus Research Symposium**  
14 – 15 September 2017 (registration required)
