

TRANSFORMATION THROUGH TRANSLATION

Inclusive Health Research Symposium

Through the provision of care, advocacy and research, we seek to change the structures and systems that lead to some people experiencing poorer health outcomes than others as a consequence of poverty, marginalisation or vulnerability. *Inclusive Health Program – St Vincent's Health Australia*

Date: Thursday 26th September

Time: from 1:00 – 4:00 pm

Venue: Seminar Room Level 4, Lowy-Packer Building

ST VINCENT'S CAMPUS
